

Intern Business Development (m/f)

Since the publication of its MMOGs „Lords & Knights“, „Crazy Tribes“ and „Celtic Tribes“, XYRALITY has become one of the most successful and fastest growing mobile games studios in Europe. Over 60 dedicated employees work on the further development of our game portfolio to this day.

For the purpose of supporting the management in the nearest future, we are looking for an intern in the field of business development (m / f) for a period of three to six months.

Tasks:

- Conducting market research
- Creation of concepts and presentations for management
- Independent analysis and reporting to management
- Support in the design of project plans and processes

Requirements:

- Student or graduate in economics or a comparable course of study
- Very confident handling of MS Office (especially Excel and PowerPoint)
- Practical experience in the field of business development desirable
- Results-oriented working method and commitment
- Good knowledge of German or English

We offer:

- A responsible position at a consistently successful mobile development company
- A dedicated team of young talents as well as highly experienced colleagues
- Responsible tasks, fast decision-making process and space for the implementation of your own ideas
- A team-oriented working process, which visibly incorporates the results of your work
- Unique expertise in the development and marketing of cross platform games

If you are interested in this unique opportunity, please send your complete application with salary expectations and your portfolio in a PDF file to jobs@xyrality.com. We would appreciate information, where our job advertisement caught your attention.
