

SENIOR ARTIST (M/W)

Since the publication of its MMOGs „Lords & Knights“, „Crazy Tribes“ and „Celtic Tribes“, XYRALITY has become one of the most successful and fastest growing mobile games studios in Europe. Over 60 dedicated employees work on the further development of our game portfolio to this day.

We are currently looking for a full-time Senior Artist (m/f) to join our talented and motivated team.

Tasks:

- Creating, elaborating and taking care of high-quality graphic concepts for our games, characters and other graphic elements of our games
- Creating 2D assets for the implementation in our 2D & 3D games
- Taking care of the final polishing and the standardized assembly of the 2D assets
- Close collaboration with our art director, developers, game designers and the marketing department
- Time management, prioritizing and coordinating delivery terms

Requirements:

- University degree in graphics, media design and illustration or comparable training
- Several years of professional experience as a senior 2D artist (at least 1-2 published games)
- Excellent digital drawing skills and a sharp sense for light and color
- Stylistic flexibility
- Very good knowledge of Photoshop
- High sense of responsibility and quality
- Good English knowledge
- Plus: Knowledge of animation or 3D software

We offer:

- A responsible position at a consistently successful mobile development company
- A dedicated team of young talents as well as highly experienced colleagues
- Responsible tasks, fast decision-making process and space for the implementation of your own ideas
- Unique expertise in the development and marketing of cross platform games

If you are interested in this unique opportunity, please send your complete application with salary expectations and your portfolio in a PDF file to jobs@xyrality.com. We would appreciate information, where our job advertisement caught your attention.
