- Analysis of player feedback and close interaction with our entire game development team
- Preparation of future suggestions based on player feedback and close interaction with our game design team

Required skills:

- Strong affinity on the subject of fire service; ideally experience working as a (volunteer) firefighter
- Enrolled student (m/f/d) in communication or marketing or a similar education
- Ideally fluent language skills in French or Italian or Swedish
- First working experiences in a similar position
- Fun in dealing with social media
- Structured and reliable working style and unmatched customer service
- Skilled handling of Office programs
- Affinity for online/browser games

We offer:

- A challenging, yet promoting working atmosphere
- Responsible tasks
- A team-oriented working process, visibly incorporating the results of your work
- Close cooperation with our Game Design Director who will support you in your professional and personal development
- Unique expertise in the development of cross platform games
- A modern, young work environment including free fruit and beverages
- HVV Profiticket subsidy
